

STORMWATER SOLUTIONS / FOUNDATION FORMING & DRAINAGE

PROFORM™ HD

Form • Drain • Vent

The **new** and **improved** PROFORM™ HD (Heavy Duty) is an innovative, efficient alternative to traditional wood or PVC forms. This dual-wall corrugated HDPE system actually forms the footings while at the same time providing superior drainage and radon venting - all in one easy step!

New Features

- **Rigid:** New dual-wall design for added strength, without sacrificing the durability benefits of HDPE
- **Lateral Perforations:** More secure stake positioning
- **White Outer Shell:** Cooler to the touch on hot days, and easier to see perforations for correct installations
- **Single Elbow, Multiple Angles:** The NEW 90° Elbow accommodates field modifications for other angles, eliminating the need for extra elbows on the jobsite.
- **Installed Couplers:** Ships with coupler installed for increased work site efficiency

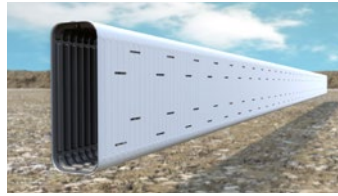

Additional Features

- **Easy to Handle:** Lightweight yet rigid
- **Cold Weather & Impact Resistant:** Doesn't crack in cold weather or when mishandled on the jobsite
- **No Stripping Forms:** Stays in place after footings are poured
- **No Drain Pipe:** Save time & money by not needing to install additional drainage
- **Easy to Install:** Accommodates various staking procedures

Available Sizes & Fittings

Item	Number
6" x 10' PROFORM™ HD	PFHD33010
6" 90° / 45° Elbow	PFHD33051
6" Vertical Elbow	PFHD33054
6" Coupler	PFHD33050
6" End Cap	PFHD33055
4" Crossover Adapter	PFHD33057
Single Outlet	PFHD33060
6" x 20" Spacer Strap	PFHD33020
8" x 16" Spacer Strap	PFHD33816
8" x 20" Spacer Strap	PFHD33820
8" x 24" Spacer Strap	PFHD33824
12" Metal Grade Stake	PFHDGS12
18" Metal Grade Stake	PFHDGS18

Rigid

Dual-wall corrugated HDPE for structural strength and performance. 50% more beam strength than the original PROFORM!

Installed Couplers

The new PROFORM HD arrives at the jobsite with couplers installed. Saving you time and money.

Easy Drainage Outlets & Crossovers

Easily cut a hole in PROFORM HD with a standard hole saw, insert an outlet adapter and connect pipe.

Easy to Cut

Simply cut PROFORM HD to fit with a hand saw, reciprocating saw or circular saw.

Benefits of HDPE

- **Resistant to Rust, Corrosion & Deterioration**
- **Durable:** Cold weather and impact resistant
- **Lightweight:** easy to load, unload & handle on the jobsite
- **Easy to Cut:** can be done on the jobsite with multiple methods
